

Get started with your new account

Now that you've received your *Welcome pack* and first super payment into your new AustralianSuper account, there's a number of things you can do to help your super work for you.

1. Have your member number handy to **set up your account access**. You can also get easy access to your account with the **AustralianSuper app**. ☐
2. When you access your member account, please ensure your contact details are a valid personal email address and mobile number (rather than work contact details) so they remain up-to-date, even if you change jobs. ☐
You can change your email address in the app or the secure Member Portal once you're logged in. For security purposes, we'll need your mobile number to send a security code to confirm your identity. If you haven't provided your personal mobile number or you need to change it, please call us on the phone number listed below.
3. A *Start your basic cover* form is included in your *Welcome pack* so you can: ☐
 - **Start your basic cover** before your super balance reaches \$6,000 without having to provide detailed health information for the Insurer* to consider. You need to apply within 120 days from the date of your welcome letter (conditions apply).
 - **Cancel some or all of your cover** if you don't want a cover type to automatically start when you turn 25 or when your super balance reaches \$6,000. If you want cover later you'll need to reapply and provide detailed health information for the Insurer to consider.
 - **Update your individual work rating**. You're automatically provided with the default Blue Collar rating, which is the most expensive. Check if you're eligible for a different work rating at australiansuper.com/WorkRatingTool
4. The **AustralianSuper insurance calculator** can help you work out how much insurance cover you may need. ☐
5. Read the *Applying for an insurance transfer* fact sheet for step-by-step instructions on how to transfer cover from another super fund or insurer and to find out if it's right for you. ☐
6. Visit australiansuper.com/combine to learn how you can roll your super accounts into one. Combining your super funds doesn't happen automatically†. ☐
7. **Nominate** who'll receive your super and insurance money if you pass away. This will tell us who you want your account balance and insurance paid to. ☐

We're here to help

Visit australiansuper.com

Email australiansuper.com/email

Call **1300 300 273** (8am to 8pm AEST/AEDT weekdays)

* AustralianSuper insurance is provided by TAL Life Limited (the Insurer) ABN 70 050 109 450, AFSL 237848.

† Before making a decision to combine your super, consider any fees or charges that may apply, and the effect a transfer may have on benefits in your other fund such as insurance cover. We recommend you consider seeking financial advice.
